Octane

for Samsung Galaxy S5

SA-566

Co-Molded Impact Absorbing Case

Description

Incipio's new Octane™ Case is precision engineered with a co-molded construction and impact pads that guard against drops and shock. The dual-layer Octane™ Case is crafted with a rigid, transparent Plextonium™ polycarbonate back and an impact resistant, textured bumper. The shock resistant bumper features a textured pattern and vibrant color for a unique look and unbeatable drop protection.
